

He is kind, yet inflexible in the requirements of His law; loving and compassionate, yet terrible as a destroying fire against the rebellious and the guilty; forgiving towards offences yet jealous of the dignity, the glory, and the supremacy of His name. He is holy, and cannot look upon sin. He is wise, and cannot tolerate fools. He is true and faithful, and will destroy all the false and perfidious. He is just and true and perfect - at once the fountain of love and vengeance; the author of life and death; the source of reviving mercy and consuming fire. He is eternal, unchangeable, unsearchable, infinite, glorious in power and majesty-the King immortal, the Possessor of heaven and earth, to whom alone glory is due.

FREE BIBLE LANTERN LECTURE

*The Uprise & Decline of Turkey
A great sign of
Christ's Return.*

WILL BE GIVEN (GOD WILLING) IN THE
ELECTRIC HOUSE LECTURE HALL,
UNION STREET, TORQUAY,
Sunday (November 10th), 6-30 p.m.
SPEAKER - Mr. F. BELTON, SOUTHPORT.

YOU ARE CORDIALLY INVITED
to see some Bible evidence that the Lord Jesus in his last message prophesied that the Turks would be the scourge of Christendom and afterwards dry up like a river. Students of prophecy three hundred years ago understood this forecast and wondered how such a mighty Empire as Turkey then was to decline. It is a certain sign of Christ's near return to the earth.—Zec. 12/12-13.

The decline of the Turkish Empire and the growth of Zionism in Palestine is all in accordance with the forecast of prophecy.
The presentation of this Lecture will secure a seat. Children without previous seat admitted.

Prophecy Is Doctrine

Daniel 12:9-10

Prophecy Is Doctrine

“And they that be wise shall shine as the brightness of the firmament; and they that turn many to righteousness as the stars for ever and ever.”

DANIEL'S VISION OF ARMAGEDDON

“Thou sawest till that a stone was cut out without hands, which smote the image upon his feet that were of iron and clay, and brake them to pieces. Then was the iron, the clay, the brass, the silver, and the gold, broken to pieces together, and became like the chaff of the summer *threshingfloors*; and the wind carried them away, that no place was found for them: and the stone that smote the image became a great mountain, and filled the whole earth.”

Daniel 2:34,35.

When Russia makes its grand move

"The future movements of Russia are notable signs of the times, because they are predicted in the Scriptures of truth. The Russian Autocracy in its plenitude, and on the verge of dissolution, is the Image of Nebuchadnezzar standing upon the Mountains of Israel, ready to be smitten by the Stone. When Russia makes its grand move for the building-up of its Image-empire then let the reader know that the end of all things, as at present constituted, is at hand. The long-expected, but stealthy, advent of the King of Israel will be on the eve of becoming a fact; and salvation will be to those who not only looked for it, but have trimmed their lamps by believing the gospel of the kingdom unto the obedience of faith, and the perfection thereof in "fruits meet for repentance".

“That **Japheth, the son of Noah**, had seven sons; who, proceeding from their primitive seats in the mountains of Taurus and Amanus, ascended Asia to the river Tanais (or Don); and there **entering Europe, penetrated as far westward as the Straights of Gibraltar**, occupying the lands which they successively met within their progress; all of which were uninhabited; and bequeathed their names to their different families, or nations. **That Gomer founded the Gomari, whom the Greeks at that time, called Galatae; and that Magogue founded the Magogae, whom the Greeks then called Scythae.**”

—*Josephus (AD 90)*

“**The name Scythae was a name given by the Greeks to an ancient and widely extended people of Europe**, who had spread themselves from the river Tanais, or Don, westward along the banks of the Ister, or Danube.”

—*Herodotus (450 BC)*

“I determined to pass to the Ister, or Danube through Scythae; and so enter Italy.”

—*Dion Casius (150 years after Christ)*

“He afterward... advances as far as the river Laxarthes, called by Quntus Curtius the Tanais (Don), the farther side of which is inhabited by **the Scythians whose country forms part of Great Tartary.**”

—*Rollin's Ancient History*

“The ancient Greeks first called the northern nations by the general name of Scythians; but when they became acquainted with the nations of the West, they began to call them by different names of the Celts, Celto—Scythae... the Greek historians called the northern nations, collectively, Scythians and Celto-Scythae...”

—*Strabo*

“**Gomer**: He was progenitor of the Cimerians, Cimbri, and other branches of the Celtic family, as well as the modern Gael and Cymry... **The descendants of Gomer settled on the north of the Black Sea, and then spread themselves southward and westward to the extremities of Europe**”

—*Young's Concordance*

HISTORIANS IDENTIFY: ROSH & MESHECH

“The name Russia... is certainly derived, through Rossiya, from the Slavonic Rus or Ros”

—*Encyclopedia Britannica*

“...from Rhos and Meshech (that is Rhossi and Moschi) of whom Ezekiel speaks, **descended the Russians and the Muscovites**, nations of the greatest celebrity in European Scythia”

—*Bochart (1640)*

“The origins of both the Russian state and nation are found in the area north of the Black Sea and in the steppe (plains) land to the north and east of the strategic body of water. Soviet historians insist... that the movements of the Slavs into the area took place many centuries ago.... **The name Russia comes from the word “Rus” (also “Ros” and “Rhos”)** and there is evidence that the term was used in referring to people of the area before the arrival of the Varangians” (ie. Vikings of the 18th Century A.D.)”

—*The Soviet Union and Eastern Europe 1993*
(Stryker-Post publications,
Washington D.C.)

“It is related that the Russians (whom the Greeks called Ros, and sometimes Rosos) derived their names from Ros, a valiant man whom delivered his nation from the voice of their tyrants.”

—*Russian Historians*

“Ros is the most ancient form under which history make s mention of the name of Russia”

—*Bochart (1640)*

“Ivan III achieved prestige in 1472 when he married Zoe, niece of the last of the Byzantine emperors. **The Moscow Prince adopted the term Tsar, a Slavic contraction of the Latin word Caesar.** Ivan behaved like the direct heir to the Byzantine throne, adding also the titles Autocrat (Gk. absolute ruler) to Tzar. A Russian monk developed the concept of a **Third Rome which identified Moscow as the true capital of Christendom**, in a line of succession through Rome and Constantinople.”

(*Pope Sixtus IV granted Ivan III the right to adopt the Byzantine coat of arms — the two headed eagle — which then became the Tsars royal coat of arms”*)

ROSH - 7200 - ראש

Ezekiel 38:2, 3, 39:1; proper name of a northern nation mentioned with Tubal and Meshech; undoubtedly the Russians, who are mentioned by Byzantine writers of the tenth century under the name of Ρῶζ, dwelling to north of the Taurus, and described by Ibn Fosslan, an Arabic writer of the same age, as dwelling on the river Rha (Volga).
- Gesenius' Hebrew-Chaldee Lexicon to the Old Testament

MESHECH

Meshech - drawing out, the sixth son of Japheth (Gen. 10:2), the founder of a tribe (1 Chr. 1:5; Ezek. 27:13; 38:2,3). They were in all probability the Moschi, a people inhabiting the Moschian Mountains, between the Black and the Caspian Seas. In Ps. 120:5 the name occurs as simply a synonym for foreigners or barbarians. "During the ascendancy of the Babylonians and Persians in Western Asia, the Moschi were subdued; but it seems probable that a large number of them crossed the Caucasus range and spread over the northern steppes, mingling with the Scythians. There they became known as Muscovs, and gave that name to the Russian nation and its ancient capital by which they are still generally known throughout the East"

- Eastons Bible Dictionary

Tubal: A nomadic tribe associated with the scythians. Along with Meshech, its name is preserved in the city later founded by its descendants.

GOMER - 1586 - גֹּמֶר

Proper name, of a northern people sprung from Japhet (Gen 10:2), from whom Togarmah (or the Armenians) is said to be descended (Gen 10:3). This is probably to be understood as the Cimerii inhabiting the Tauric Chersonese and the region near the Don and Danube.

“I know not whether the men, who at present contrive the foreign policy of Britain, entertain the idea of assuming the sovereignty of the Holy Land, and of promoting its colonization by the Jews; their present intentions, however, are of no importance one way or the other, because they will be compelled, by events soon to happen, to do what, under existing circumstances, heaven and earth combined could not move them to attempt...

The decree has long since gone forth which calls upon the Lion of Tarshish to protect the Jews.”

Attention turns to the “Little Horn”

What we learn about the horn in Daniel 7

- Plucked up three horns of 4th Beast
- Had eyes like a man
- Had a mouth speaking “great things”
 - Spoke words against the Most High
- Destroyed with 4th beast by Christ
- Had a “stout look”
- Made war with the saints
- Prevailed against them and wore them out
- Changed times and laws
- Had power for 1260 days

The False Prophet & The Little Horn

Daniel 7:20	And of the ten horns that were in his head, and of the other which came up, and before whom three fell; even of that horn that had eyes, and a mouth that spake very great things, whose look was more stout than his fellows.
Daniel 8:25	“And through his policy also he shall cause craft to prosper in his hand; and he shall magnify himself in his heart, and by peace shall destroy many: he shall also stand up against the Prince of princes”
Revelation 13:5-6	“And there was given unto him a mouth speaking great things and blasphemies; and power was given unto him to continue forty and two months. And he opened his mouth in blasphemy against God, to blaspheme his name, and his tabernacle, and them that dwell in heaven.”
Revelation 16:13	“And I saw three unclean spirits like frogs come out of the mouth of the dragon, and out of the mouth of the beast, and out of the mouth of the false prophet.”
Revelation 19:20	“And I saw the beast, and the kings of the earth, and their armies, gathered together to make war against him that sat on the horse, and against his army. And the beast was taken, and with him the false prophet that wrought miracles before him, with which he deceived them that had received the mark of the beast, and them that worshipped his image. These both were cast alive into a lake of fire burning with brimstone.”

"I Considered the horns, and behold, there came up among them another little horn before whom there were three of the first horns that were up by the roots: and this horn was greater than the three which were before it: and it had eyes, and a mouth speaking great things."

But, at what time does he [Jesus] appear? This is found by attending to what is said concerning the Little Horn power and the holy ones. It is to prevail against them until the Ancient of Days come, which "until" is indicated in the words, "The holy ones shall be given into his power *until* a time, and times, and the dividing of a time". Hence, the Ancient of Days will come at the end of this period, which has not yet expired; for if it had, the Ancient of Days would now be in Teman, or the South of the Holy Land, the holy ones would now be preparing to execute judgment, and the season and time would be at hand.
